David Wilson

Secretary - Reddish
North Labour Party

"It was with deep regret that we learnt of the untimely death of Cllr David Owen. David had been suffering from a long illness and sadly died on the 29th May in Stepping Hill Hospital. On behalf of all Labour Party members, I would like to extend sincere condolences and deepest sympathy to Jan Owen and her family."

The work goes on

David Wilson will make sure that the work of the local Labour Party will continue and that Reddish residents will have strong representation from their elected representatives.

David said "I assure local people that our commitment to the people of Reddish has not changed. I am, therefore, extremely angry at the betrayal of Cllr Anne Graham in joining the LibDems. For 17 years Reddish people have given her their support as a Labour Councillor. She has destroyed that trust, discarded that loyalty and turned her back on the people who supported her. That is treacherous behaviour and I, and many of the Reddish people who have spoken to me, believe she should now resign and stand again for election".

Cllr Peter Scott

said "We are all deeply saddened by this loss of a friend and fellow Councillor. He will be greatly missed by many people in Reddish".

Reddish MP Andrew Gwynne

said "I am very saddened to hear that Councillor David Owen has passed away. David was a hard-working and dedicated local Councillor in North Reddish and was committed to ensuring Reddish had a strong voice on Stockport Council. He was firmly rooted in the local community and will be missed by his many friends and comrades."

WHAT THE LIBDEMS HAVE DONE FOR YOU!

- CLOSED** REDDISH BATHS
- WANT TO CLOSE REDDISH LIBRARY**
- IMPOSED THE DISASTROUS BUS CORRIDOR** ALONG GORTON ROAD
- NEGLECT** REDDISH VALE
- BUNGLED THE BID TO THE GOVERNMENT** FOR MONEY FOR REDDISH VALE TECHNOLOGY COLLEGE SO THAT **LOCAL YOUNGSTERS CAN'T HAVE THEIR SCHOOL REFURBISHED.**
- NEGLECT THE PARKS** AND OPEN SPACES.
- CAN'T EVEN KEEP THE STREETS CLEAN.**
- NOT LONG AGO THEY WANTED TO SWITCH OFF EVERY OTHER STREET LIGHT! WITHOUT LABOUR COUNCILLORS THEY MIGHT EVEN HAVE DONE IT!**

COME ON, ANNE, IF YOU'RE SO SURE ABOUT YOUR NEW PARTY - PUT IT TO THE TEST. SEE WHETHER REDDISH PEOPLE FEEL THE LIBDEMS HAVE SERVED REDDISH WELL!

Your local Councillors and Andrew Gwynne MP are always keen to support improvements to all local parks and one of Cllr David Owen's visits when Deputy Mayor was to support the Friends of South Reddish Park in summer 2005.

WAS CLLR DAVID OWEN DEALING WITH AN ISSUE FOR YOU?

Obviously David's fellow Councillors do not want to bother his family with Council issues just now so, if David was dealing with a problem for you, please pass it on to Cllr Peter Scott or David Wilson.

Reddish Matters - Looking locally

These are just a few of the issues that affect Reddish residents. Your local Labour Councillors will continue to fight for more resources for Reddish. For **alleygating where residents want it** (many people see this as a effective crime prevention measure) - better rail services from **both North and South Reddish stations** - better play facilities for children and leisure facilities for everyone - support for local businesses and community groups. Help us to help you by letting us know about the issues or problems that concern you.

The LibDems and Tories have no interest in Reddish. The LibDems target resources away to the leafy suburbs and the Tories support devastating cuts in public services that would affect Reddish residents very badly.
