Cllr Peter Scott re-elected

Thanks! To all who voted Labour in the elections

Cllr Peter Scott and Cllr David Wilson will continue to fight for Reddish and the people who live here. We want to see more improvements and greater resources in spite of the Tory/LibDem cuts which we know are coming. Peter enjoyed the highest majority ever in Reddish thanks to you.

Andrew Gwynne re-elected

I would like to thank the people of Reddish for re electing me as their MP on May 6th. I campaigned vigorously in the last Parliament for our community in Reddish and this will continue to be my priority in the new Parliament. We have already seen a glimpse of what is to come under this ConDem government, police funding cut in Stockport, young people losing their jobs because of cuts to the Future Jobs Fund, and slashing the Child Trust Fund. So far I haven't heard a word of protest from local Liberal Democrats. Every Liberal Democrat MP was elected on a pledge not to support the Tories £6 billion cuts programme they are now content to drive through. I for one will fight to defend our local schools, house building projects and hospitals from any threatened cuts. I will be using all the powers at my disposal in Parliament to defend our community against Tory and LibDem attacks on our public services and will do all I can to protect local jobs.

"No Ball games" Signs

Residents in three areas have requested "No Ball Games" signs to be put up. The areas are at the end of Fallowfield Drive, at the sharp bend on Matlock Rd and at the shops on Ruskin Rd. We are putting out leaflets to ask people to vote on whether they want them.

New School - Building has started

Construction of the new School at Mill Lane started on 14th June. Most of the Harcourt field will have to be closed off whilst the remediation work is done to the former tip site. After that is completed by the end of the year only the actual school site will be fenced off during building work. It's expected to be finished next summer so that the teachers can get ready for the autumn term next year. Fir Tree Nursery will move into the building and will operate alongside the Children's Centre and the Primary School which will be one of the biggest in the town.

Construction traffic will enter only from Mill Lane and we have met officials to press the point that we want careful control of lorry traffic during going to and school leaving time as well as control of noise, mud on the road and other annoying problems.

Residents can be assured we will keep a close eye on the activities of the builders.

The Council will be sending out regular bulletins to households round about and we have urged that this is done as widely as possible.

If you want to know more get in touch with us on 292 5693 or 432 2188.

The entrance to the site works and the school on Mill Lane

LIBDEMS AND TORIES ATTACK CHILDREN FROM LOW PAID FAMILIES

Labour's plans to give 500,000 children from the lowest paid families free school meals

SCRAPPED CHILD BENEFIT FROZEN

Bin Bags problem

Some people are putting out their bin bags either too early or too late and being left out all week long - specially during the Summer weather. Working on behalf of concerned residents worried about vermin, we contacted Stockport Homes and the Area Conditions officer to tackle to deal with this problem both on Wilton Street, and Sykes Street.

This is what happens!

Bungalow development at Campbell St

For years residents of the Denes next to the police station have complained about noise from the garages. The owners of the land had proposed to build elderly people's bungalows in accordance with the Council's policies which restricted development of some types of housing. The project ran into some sort of difficulty but is being revived now that Council policy has been altered. **We expect planning permission to be given soon.**

ROC cafe

The Life Centre Church & the police have co-operated to set up the RoC cafe for youngsters on Friday nights. It's held in the Life Centre Church on Sykes St. RoC stands for "Reclaim our Communities. The centre is the first of its kind in Greater Manchester and is due to be formally opening by the Chief Constable. It's part of a movement covering the whole of the Country. Peter and David strongly support this cafe.

Rumour - the Bull's Head Pub is being converted to a "Halfway House"

We have established that the rumour is untrue, but there is still a mystery about the intentions of the developer and the planning dept is investigating.

More information directly we have it will be sent to you in a local leaflet for the area round about.

The 20mph Zone for the Naseby Rd, Finsbury Rd Ilkley Rd, Wharfedale Rd areas

Proposals have been sent to local residents for their views. Please respond if you haven't done so already. We hope that people will support it to make the roads safe for everyone.

Harrogate Rd - part of the scheme.

We're calling on the Council to spend its special £2million

fund for improving roads on Harrogate Rd and Goldsmith Road where severe damage due to the weather means that the road has to be re-surfaced.

Advice Surgeries

Wednesdays at Reddish Library 7pm - 7:30pm

Fir Tree Primary School Surgery 4pm - 5pm on the last Friday in the month
